Prior-Year Non-Proficient and Student Success Initiative STAAR Outcomes

Progress of Prior-Year Non-Proficient Students shows STAAR performance rates for students who did not perform satisfactorily on the STAAR test. The following table displays the percentage of students who did not perform satisfactorily on the STAAR test in the current year and the percentage of students who did not perform satisfactorily on the STAAR test in the prior year. The table also displays the percentage of students who performed at the proficient level on the STAAR test in the current year and the percentage of students who performed at the proficient level on the STAAR test in the prior year. The table also displays the percentage of students who performed at the advanced level on the STAAR test in the current year and the percentage of students who performed at the advanced level on the STAAR test in the prior year. The table also displays the percentage of students who performed at the advanced extended level on the STAAR test in the current year and the percentage of students who performed at the advanced extended level on the STAAR test in the prior year.
