Austin ISD SHAC Who we are

Austin ISD SHAC What we do

Working together to improve the health and educational outcomes of all students and families through coordinated school health programs.

Impact of School Health Why we do what we do

District-wide impact of school health

Students who are physically and mentally healthy have greater academic success, attend more days of school, and graduate.

The consequences of not addressing student health needs include:

More behavior issues, including bullying and dating abuse

More potential dropouts

Lower test scores

More trips to the school nurse

Potential for higher teenage pregnancy rates
